## Message from Chairman....

My Dearest Alumnos,

Wish you a very Happy Holi and Prosperous Ugadi Sarvari Nama Samvatsara in advance.

As Chairman and Managing Trustee of your Alma Mater, I have always been extremely proud of your achievements. In fact, each one of us in Shridevi group of Institutions has developed by leaps and bounds since you graduated from your Alma Mater. You are aware that the degree of competitiveness in professional education has changed in last few years, for good. It is the essence of the change and striving for quality that drives the institutional resources and processes towards the journey of excellence. With the growth, there are massive challenges before your alma mater and we need your support to have the flag of SIET flying high-steadily. At this stage, we expect some valuable inputs and interactions to improve further and excel right from quality in admissions to final placements.

SIET considers you as its brand ambassador as well as its torch bearer. As Chairman, I am confident of your calibre and professionalism. Hence, I welcome all of you wholeheartedly to join hands in supporting our various endeavours by all means of intervention. Our doors are always open to congregate the professional knowledge and experience of our alumni within, to move ahead jointly with confidence. Without your support, we are incomplete. We can do wonders together and let's take SIET to even newer heights.

Best Wishes to all of you.

With Love,

**Dr. M. R. HULINAYKAR**

Chairman and Managing Trustee, Sri Shridevi Charitable Trust (R.)

## INVITATION FOR THE SIET ALUMNI MEET - Principal

---

Dear Alumnae / Alumnus of SIET,

It's my pleasure to introduce myself, I am Dr. Narendra Viswanath, recently taken over as a Principal and I greet everyone of you a Happy New Year 2020 and Makara Sankramana".

It's my privilege and an opportunity to invite you on behalf of our Management, Faculty and staff members for the "14<sup>th</sup> SIET Alumni Meet" to be organized on Sunday, 8<sup>th</sup> March 2020.

Lot have changed in the campus yet few things remain the same since you have left and I want you to visit, enjoy and feel it.

I really do hope that, you accept this Invitation and I also appreciate if you could confirm your participation with your concerned department HoD or Coordinator or with Chief Alumni Coordinator. You will get all these details soon.

This is an open and advance invitation to enable you to mark your calendar and plan your travel as needed. I shall send you the Official Invitation and other details shortly.

We at SIET look forward to welcoming you back here on March 08, 2020.

Dr. Narendra Viswanath

## Invitation letter format for inviting Alumni from Dept. desk

Dear Alumni,

We have great pleasure to inform & invite you for "14<sup>th</sup> SIET ALUMNI MEET 2020" being celebrated on Sunday, 8th March, 2020.

This is an event a lot of us have been waiting for. This alumni meet is being celebrated by the family of Shridevi Institute of Engineering and Technology for the Alumni passed graduated from our beloved Institution since 2006 to 2019.

Mark your calendar and spread the word to all your friends - let's get together to make this event a grand success. We wish and request you to join this Meet. It will be a rare opportunity to reminisce on old memories and find out more about what is happening in the College.

This Alumni Meet will provide you with the chance to catch up with old classmates, teachers and many sweet old memories while enjoying an informative presentation on topics of interest to working professionals.

In the meanwhile, Department is going for NBA Accreditation process where Alumni involvement is key and we are planning to establish Dept. Advisory Board also. Alumni's are also an active member for this board. We seek your active participation which strengthens the department and gives us an opportunity to work with you in order to uplift the quality among the students who are studying as of now.

We are bringing out a "SIET Alumni - 2020 News Letter" of your Alma Mater for which we need articles of your sweet memories, success stories or your life in the institution and after college days.

Please include your passport size photo along with your article. Email your articles in word document format to [alumni@shrideviengineering.org](mailto:alumni@shrideviengineering.org) or below mentioned email ids on or before 15th February 2020, Saturday.

For any further details please contact either me or our Department Alumni Coordinator. and kindly confirm your participation through email or WhatsApp at the earliest.

Anticipating positive response from you. Your presence along with your family & friends will surely be of great pleasure to us.

Yours,

HoD

## INVITATION LETTER FOR ALUMNI MEET – Training & Placement

Dear Alumni,

It gives us immense pleasure to continue everlasting ties with you. Hope you are faring well in your job and earning laurels for yourself as well as your parents and Shridevi Institute of Engineering & Technology i.e., your alma mater.

On **8<sup>th</sup> March 2020**, we are organizing “**14<sup>th</sup> SIET - Alumni Meet**” of the graduated students of and Shridevi Institute of Engineering & Technology, Tumkur. The meet will be organized in the *Auditorium of Medical College, Shridevi Campus* from 9:00AM to 4:00 PM.

We are sure that you will certainly mark this day in your calendar to walk down the memory lanes and be present with your adorable teachers, mentors and not the least, your bosom friends and colleagues.

You are our prized possession and valued ambassador and we crave for your continued association with us. You are an integral part of SIET fraternity, present achievements and future hopes.

Anticipating positive and enthusiastic response from you. With best wishes to you and your family members.

For any further details please feel free to contact me and kindly confirm your participation through email /WhatsApp to my number 8904547659 at the earliest.

Regards,

Anjana Murthy M

# ALUMNI - 2016

Annual Newsletter for the Alumni

## Founder's Message

I am delighted to know that the 9<sup>th</sup> ALUMNI CONGREGATION of SIET is scheduled on 26<sup>th</sup> January 2016 and it will be a rejoiceable moment for all of us in meeting the ambassadors of our institution. The occasion will facilitate the coming together of many alumni in sharing their thoughts, exchanging ideas and the progress achieved. This kind of event will catalyze in thinking positively to strengthen the career path and to be ambitious for future life.

As the student and professional life is quite contrasting and this congregation can make everyone curious in knowing how other friends sailing through their career route. Also on this occasion the alumni can contribute their insights and suggestions for the junior folks to meet the professional career challenges. I am confident that the event will be useful to all the concerned. I strongly believe the alumni would bring name, fame and laurels to SIET in achieving greater success in their profession.

Best wishes for prosperous future and success.

Benevolently yours,  
**Dr. M. R. HULINAYKAR**

## Founder's Message :

Dear Alumni,

It is very pleasing that SIET is conducting the first Alumni meet-2008. For an institution which started in 2002, holding an alumni meet seems to be very special since only such institutions established long back do venture into holding alumni meets. Bringing together alumni in the family, knitting their ties with the institution strongly creating excellent rapport and interaction between old and new students is always the best thing to happen. It is always proudful & heartening to see the alumni spread everywhere and placed well. To see them & hear them at their alma mater is the happiest occasion. On this occasion, I wish the alumni a great future and may the association & ties with the alma mater, SIET live forever.

(Dr. M.R. Hulinaykar)

<b>Target Audience</b>	2 <sup>nd</sup> Sem & 4 <sup>th</sup> Sem MBA Students
<b>Association with</b>	Institute Innovation Council and Ministry of Education, New Delhi
<b>Key Takeaways of Expert Lecture</b>	
<p>Mr Basavaraj Dudihalli, CFE consultant, SAP India Private Limited was our proud alumni of Shridevi Institute of Engineering and Technology Tumkur from MBA Dept.</p> <p>He had delivered expert lecture on the career opportunities in Data Analytics by using SAP for fresh MBA graduates. He explained Data Analytics is the process of observing, transforming, cleansing and modeling data with the goal of creating useful information and obtaining worthwhile conclusions.</p> <p>A data analyst is a person who is in charge of collecting and analyzing the data. He explained</p>	

the scope of analytics is rising, and thus taking up a management course along with learning analytical skills can help you advance in your career. Through an MBA in Business Analytics, you will gain the skills such as SQL databases Python and R Survey/query software Business intelligence and reporting software Data visualisation Database design Problem-solving skills Effective Communication Creative Thinking Industry Knowledge To be eligible for this course, you must have a graduate degree in any field and also pass the national eligibility examination for an MBA course. There are three main domains that you can get into after completing your course. They are descriptive analysis, prescriptive analysis, and predictive analysis. Companies offer you a role based on your skillset, domain knowledge, and work experience. From MNCs to E-commerce companies, every industry is looking to hire an MBA with analytical skills as this is the future. Job Opportunities after MBA in Business Analytics.

He emphasised there is a wide range of business analytics career opportunities available that you can choose from depending on which role may interest you the most after an MBA in Business Analytics. Some of the business analytics career opportunities are Data Analyst, Supply chain analyst, Big Data Analyst, Business Analyst, Predictive modeller, Technical Team Lead, Data Scientist, Data Engineer, Machine Learning Engineer, Quantitative analyst, the average salary ranges between Rs 6lak to 8 lakh.

He explains what does data analysts really Does. Data analysts take mountains of data and probe it to spot trends, make forecasts, and extract information to help their employers make better-informed business decisions. The career path you take as a data analyst depends in large part on your employer. Data analysts work on Wall Street at big investment banks, hedge funds, and private equity firms. They also work in the healthcare industry, marketing, and retail. In general, data analysts are everywhere. You can also find them at large insurance companies, credit bureaus, technology firms, and in almost any industry you can think of. Big tech companies such as Meta and Google analyze big data to a dizzying degree.

The session was very interesting students and staff has gained the knowledge of the career opportunities in Data Analytics by using SAP for fresh MBA graduates.
